### Diary Dates Spring Term

12<sup>th</sup> March - Cross Country Finals Preston Park (Individual Children have been notified)

14<sup>th</sup> March - Year 5 hockey tournament

15<sup>th</sup> March - Year 2 SATs assessment meetings for parents - 3:30 and 5:30

26<sup>th</sup> March - end of Spring Term reports to go out

29<sup>th</sup> March - last day of school before Easter break.

### Science Open Morning

Lots of lovely comments from parents, friends and family members who joined us yesterday morning. It was nice to hear that everyone really got involved with the activities going on. From what I hear parents really enjoyed all the different ways in which the children were investigating. We had investigations based upon melting, properties of materials the digestive system. There was a real buzz around the school. Thank you to all that were able to make it.

### Reception multi skills sports festival

On Monday 26<sup>th</sup> February Reception class went to the Early Years Multi Skills Sports Festival at Stockton Campus, Durham University. The children were really excited to see all the different activities that they were going to take part in. They completed an obstacle course, football skills, scarf dancing and parachute games amongst others. The staff running the event were very impressed with our Reception class. They thought they listened brilliantly and had well developed sports skills. Our parent volunteers also received lots of compliments about how well they joined in and supported the children. We were delighted with Reception class, their behaviour outside of school was fantastic and they were a credit to us. Well done everyone!

### Reception Class Assembly

On Tuesday it was the turn of Reception class to lead assembly for the whole school. We have been learning about Space and so decided this was a good theme for our assembly. All the children had words, songs and a dance to learn. Due to the snow we had less rehearsal time than we hoped but the children worked so hard on saying their lines and making sure their voices could be heard. In the assembly the children were brilliant. They made sure that they spoke clearly and performed their songs and dance fantastically well. Both I and Miss Brown were so proud of Reception and they have received lots of compliments from other members of staff. A big well done!

### Request

If you have any unwanted odd balls of wool please would you donate them to our Knitting Club by handing them into our school office?

Many thanks.
