Stockton Cross Country Finals

We would like to take this opportunity to say a big well done to some of our Key Stage 2 pupils who qualified and attended the Cross Country Finals at Preston Park on Wednesday 3rd October. Noah S (Y3), Niamh S (Y5), Jacob Chambers (Y5), Millie D (Y6), Alix N (Y6), Jakob R (Y6) and William B (Y6) all qualified and represented our school. The children put in an amazing effort competing in the race. William B (Y6) has qualified to the next stage - Good luck William!

Also, I would like to say thank you to the parents who ensured that their children got to the event and supported them throughout!

Well done to you all!

Mrs Montgomery (PE Lead)

Year 3 and 4 Football Team

On Thursday 4th October our new Year 3/4 Football Team competed in their first match at Eggescliffe School. This league event consists of our local cluster schools playing against each other every month. Our team players are Lewis N (Y3), Noah S (Y3), James J (Y3), Owen T (Y3), Edward R (Y4), Jamie G (Y4), Christopher M (Y4), Ben H (Y4), Ben N (N) and Will T (Y4).

The children played fantastically as a team and they won one match 3-1, and it was a close result with the other two matches. The Team Captain Edward R (Y4) received a medal for "Man of the Match!"

May I take this opportunity to thank all the parents and grandparents who come along to every event to support their children and the school. Your continued support is very much appreciated and the children loved the chance to show off their skills to you all. I also want to thank the children on the Football Team who gave their best effort to the match and represented our school so well.

Mrs Montgomery (PE Lead)

Robot Morning Year 3 and 4

We had an interesting visit today from a robotics company called Labman! The children from Years 3 and 4 had an interactive morning learning all about Robots. The activities included designing and making their own robot; operating robots; a structure, team building activity and a computer programming activity around the theme robots. The children were very enthusiastic and engaged for the whole morning. It was fantastic to see the children using their knowledge from the topic they have been learning this term.

McMillan Coffee Morning

Thank you to all the parents/families who attend the coffee morning and also for the donations of cakes. You raised a £150.00 for the charity.

Guess the weight of the cake was won by Mrs I Blythe who correctly guessed the weight as 3.5KG.
