Year 6 - Crucial Crew

On the very first morning of the term, the Year 6 children went to Stockton for their Crucial Crew session. We were out all morning, learning about fire, water, electricity, road and online safety. The children's behavior was outstanding and we really enjoyed the morning. Mrs Mitchell and Mrs Montgomery felt very proud of the children, especially when all of the crucial Crew leaders complimented them on their behaviour, knowledge and willingness to take part.

Year 6 - Bikeability

We really have 'hit the ground running' in Y6! The children are taking their Bikeability Level 1 training all day today. They will be given a chance to take their Level 2 later in the year, which will run all week. All children taking part successfully achieved Level 1. Well Done Year 6.

Packed Lunches

Please can I remind parents that we are a 'nut free' school as we have pupils on site with nut allergies. Therefore, please do not send any food into school which contain nuts. This week we have seen Nutella sandwiches in packed lunches. I am sure you will appreciate that we have to support our children who have allergies. Thank you in advance for your understanding and support.
